BRIDGE REPAIRS ON NH ROUTE 27 IN HAMPTON
WILL REQUIRE ONE LANE TRAFFIC FOR TWO DAYS

The New Hampshire Department of Transportation announces bridge deck repairs to the NH Route 27 bridge over the railroad in Hampton will begin Thursday, November 21, 2002.

These repairs will require single lane traffic on the bridge for two days, from 7:00 am until 3:00 pm each day. Flaggers will be used to guide motorists through the work zone.

Minor delays can be expected. Motorists traveling in the Hampton area are encouraged to find alternative routes if possible.
